Ringing in 2020 with Governor Official Visit

Once again Pattinathars will be welcoming the new year coinciding with the official visit of District Governor Rtn Chandramohan to our club on 2nd January. It will be the first official programme of the year 2020.

The year 2020 will be a new dawn for Pattinathars filled with new hopes, new challenges and expectation of new projects.

The much awaited Anaemia project, to find out the absence of anaemic level in adolescent girls, will take off in the next few weeks.

This will be followed by ibreast global grant project, to detect early stages of breast cancer among rural women through a simple hand held device. Rotary Club of Mid town Jalna, Aurangabad is also working on the same lines. In fact, they are a few steps ahead of us and have made our job easy to secure global grant from RI much faster than what we had anticipated earlier.

Our International Avenue Director K.N. Ramanathan personally flew to Canada and was successful in convincing Rotary Club of Cataraqui-Kingston to sign a sister club agreement and secured a matching grant. We have in place the memorandum of understanding with PHCs and medical institutions. This project will take off soon.

Pink Auto and \$2 for 2 drops are the pet subjects of DG. Our Interact clubs Vana Vani Matriculation Higher Secondary School collected nearly Rs.20,000 and Hindu Senior Secondary School collected Rs.5,500 for the \$2 for two drops project.

We have provided training to two women drivers under Pink Auto scheme. They are ready to take you for a ride. It is time to showcase other projects to DG and his team. We extend a warm and hearty welcome to RI District 3232 Governor and first lady Ann Manjula to our club.

District 3232 Felicitates RIPN Shekhar Mehta

When RI President Nominee Rtn Shekhar Mehta stepped into Chennai on December 26, little did he realise that he would have plenty of time to taste his favourite a 'Dosa'. However, he could not do so due to his busy schedule. Initially, he agreed for only four felicitations during his India visit, but Rotarians from District 3232 had other plans that included 4 separate felicitations. He attended all them, interacted with them, posed for them, answered questions and delivered his speech in intimate style at all the functions.

He described District 3232 as one of the best in the Rotary world. He for one believed in the idea of doing projects jointly and advocated that all the 120 clubs in the district to come together and do at least 10 per cent of the government work. RI Director Nominee A.S. Venkatesh was present on the occasion.

Owning pet is your responsibility: Rtn Dr Sangaran

On December 5, Rotarian cum veterinary doctor A. Sangaran spoke on his 'pet' subject 'Owing pet is your responsibility.'

He gave an interesting speech which was laced with interesting facts. Adopt a pet only if you care for it and have time. Pet changes your total behavior and mood. It also longs for affection just like you, were his sound advice. He also displayed pictures of different types of famous pets worldwide.
