FOREVER RAHMAN - Musical Fund Raiser Thanksgiving Fellowship Meeting - 4.11.2018

Time to say thanks to our Rotarians

This fellowship of Rotary Club of Madras Chenna Patna was truly one of a kind. A fellowship to celebrate and recognize the commitment, focus and hard work put in by fellow rotarians in making the annual fund raiser event a grand success.

Like always, the meeting was well attended by

many members of the club with their Anns and Annettes. The proceedings started with a nice invocation song rendered by Annette Vaishnavi Anand. PP Rajiv Reddy was copious in his adulation of the club members, especially the

green Rotarians for their fantastic contribution. President Prabhakar and the Fund Raising Chairman PP Vallekkannu were also extremely thankful to all the club members for stepping up and creating a new record in terms of funds

collected.

The true 'man of the occasion' was Rotarian N. Anand who was instrumental in collecting about 30% of the overall funds. All key contributors were also felicitated with a memento.

All in all a wonderful evening of fellowship, bonding and good laughter - All is well that ends well !!

BOARD MEETING - 13.11.2018

Blood Donation Camp @ TCS - 13 & 14th Nov. 2018

November 13th and 14th marked yet another important event in the continued efforts of RC Madras Chenna Patna to make a difference to the communities around us.

Partnering with TCS, one of the largest organizations of the country that takes pride in its Corporate Social Responsibility commitments as well, RCMCP conducted a mega blood donation drive at the TCS Spencer Plaza premises to address the acute blood shortage situation prevalent across the city.

The commitment of the donors was underscored by the fact that the donation started even before the event was formally inaugurated.

The chief guest of the day Rtn. Dr. Srinivasan, who is the District Chairman for health services was copious in his praise of the efforts of both the organizations and thanked the organizers for taking up the blood drive at a very crucial juncture of the year where demand far exceeded supply.

Over the two days, more than 250 units of blood was collected, thanks to the enthusiasm and social commitment of the TCS associates and support staff.

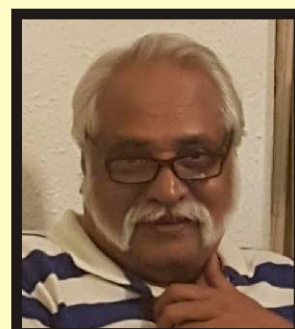

The blood drive has laid the foundation for a long term association between the two institutions to create a positive impact across various health and community development areas on a long term basis.

Special note of thanks to VHS and its medical team for their commitment, patience and overall efficiency through the 2 days.

Regular Meeting - 17.12.18 - 'Know your Brain' says Dr. Gireesh

The speaker meeting on November 17th 2018 at The Presidency Club, Chennai, turned out to be an extraordinary one indeed, cause we had the great fortune of having with us a highly knowledgeable and talented personality in Dr. Gireesh as our speaker for the evening, addressing us on the topic 'Know your brain and how to better the brain.'

Dr. Gireesh is a Neurophysician (M. D.-Gen.Med.), Neurologist (D.M.-Neurology), Neurosurgeon (M.Ch.-Neurosurgery), he holds the unique distinction of being the first Neurophysician

and also a Neurosurgeon in all Asia. He has also obtained a Doctrate in Accupuncture apart from the many other doctorates, recognitions and awards that have been bestowed upon him. He is an ex.Rotarian of Rotary Club of Anna Nagar and past District Governor of Lions International.

Dr. Gireesh mesmerised the audience and had them glued to their seats with his interactive deliberation which was power packed with valuable information. He lucidly explained with the support of visual slides how complex an organ the brain is, how vital an organ it is for a human being to lead a normal healthy life and its various functions controlling every part of the body. He explained to us the various techniques and life style modifications that are required to 'better the brain'.

Dr.Gireesh ensured that the whole proceedings was very lively by subtly interlacing humour, brain teasers, singing and dancing. A lucky few in the audience were given chocolates too.

The presentation was followed by the question and answer session which seemed a never ending one. At the end of the evening the audience was left wanting more 'Dil maange more' from Dr. Gireesh.

President Prabhakar rightly summed it up "Truly one of the best power packed meetings so far this year."
