DECODING THE BILLIONAIRE'S MIND

Rtn. Satish Kumar

On 3rd December, 2017 - Sunday morning at 11.00 am at Andhra Club during our Regular Meeting Rtn. Satish from RC Central Aaditya spoke on the Topic 'Decoding the Billionaire's Mind'.

“Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition.”

Steve Jobs

Globally 80% of the wealth is controlled by 10% of the people and it is surprising to notice that, their pattern of success is similar across the world. The achievers are visionaries (Vizhi Awakening) rather than just being a business man. Vizhi Awakening is fundamental that everyone's dream will lead to healthy, happy, successful and prosperous life.

Vizhi awakening is a place where a person can experience and achieve “Holistic Well- Being” by attaining “healthy well being” and economic well-being”. Good health is the

foundation and bases for all goals. Healthy person can alone pursue and enjoy all the prosperity in life. Hence the first priority for anyone is Healthy Well-Being.

Once a person has set goal towards “Ultimate Well-Being”, will start playing life as a game without fear and feel the abundance inner energies. At the end the individual will discover “The Real in them”. The person will discover inner-self, whom he has missed to meet all these days in their life. Once he discovers self, the individual's whole life is showered with happiness and bliss.

The Club meets at Hotel Savera every fortnightly on Thursdays at 7.00 p.m.

DISTRICT GOVERNOR'S OFFICIAL VISIT 21.12.2017

The spirit of participating in Rotary is undoubtedly one of service and the Rotary club of Chennapatna embraces that spirit unequivocally in all of its endeavors. While all of this service is selfless and is done primarily to provide for the deserving and needy, the excitement of showing a progress report to the district governor has its own charm and the Madras Cricket Club at Chepauk was brimming with this excitement and eagerness as the core members and support team of our Rotary club was ready to host the District

Governor on the 21st of a cool December evening.

The proceedings began on an auspicious note with the lighting of the Kuthu Vilakku followed by a soulful rendering of an invocation song by Annette Sruthi that set the mood for the rest of the evening.

Club President, Rotarian Vallekannu welcomed the District Governor and other dignitaries that graced the occasion and thanked the DG for his continued support of the various projects and overall growth of the Chennapatna club.

Club Seceretary, Rotarian Senthen Amuthan eloquently spoke about the various projects that the club had undertaken and/or completed in the course of the year. While each project was carefully chosen and meticulously executed, the impact of the projects was appreciated by one and all whole heartedly. These projects epitomized the kind of deep reach and impact that a selfless organization like a Rotary club can have on serving humanity.

The District Governor was profuse in his appreciation of the excellent work that the club has been doing, exemplified by the various critical projects that have been undertaken for the year. He also had special words of praise for the exemplary work that the Rotract Club of Chennapatna was doing, a summary of which was presented by past Rotract President Antriksh. He exhorted that the Rotary Club of Chennapatna actively contribute towards District foundation programs and project Indica that was being championed at a district level by the Governor himself.

The joy at the event was multiplied by the addition of a new member Rotarian Bharathan Prahalad who is a distinguished HR professional and who we are sure will be a shining star of the club.

Mementos were presented to DG, AG and DS followed by a vote of thanks by Rotarian Prabhakar.

The rest of the evening was spent in the spirit of true fellowship that combined some delectable food and lively conversations.
